MEMORANDUM FOR: Chief, Executive Registry

SUBJECT : Transmittal of Additional Dulles Papers

REFERENCE : Memorandum from Undersigned to Addressee,  
24 May 1973

1. This memorandum transmits for incorporation into the Allen W. Dulles Papers now held by the Executive Registry three more folders of papers recently disclosed in the review of Mr. Dulles' personal files before their physical transfer to Princeton University. While not formally classified, these files are believed to be sufficiently intelligence-related as to make advisable their inclusion in the Agency holdings of Dulles papers.

2. These files were transmitted to the undersigned by Mr. F. Garner Ranney, Mrs. Dulles' representative in the review of the Dulles papers, on 4 June 1973. The files cover the following subjects:

- a. Correspondence with persons seeking employment in intelligence work, 1949-1964.
- b. Correspondence with SSU and CIG, 1945-1947.
- c. Miscellaneous Correspondence, 1947-1964.
